THE DRILLING STORE

AND MORE

BOREN

SPECIALIZED SUPPLIER FOR THE HORIZONTAL- AND VERTICAL DRILLING MARKET.

Rhino Supply offers all necessary (wear) parts, accessories and tooling for drilling machines, pumping, mixing and recycling systems.

In this 24-hour drilling industry there is a great need for high-quality products, a fast delivery of (wearing) parts and/or service.

Through years of experience, cooperation with all leading global suppliers and a specific focus, Rhino Supply can meet the questions and requirements of its customers optimally.

Hence the slogan:
The Drilling Store and More

GESPECIALISEERDE LEVERANCIER VOOR DE HORIZONTALE- EN VERTICALE BOORMARKT.

Rhino Supply levert alle benodigde (slijt-) onderdelen, accessoires en gereedschappen voor boormachines, pomp-, mix- en recyclingsystemen.

In deze 24-uurs boorindustrie is er een grote behoefte aan kwaliteitsproducten, een snelle levering van (slijt)onderdelen en / of service.

Door jarenlange ervaring, samenwerking met alle toonaangevende wereldwijde leveranciers en een specifieke focus, kan Rhino Supply de vragen en vereisten van haar klanten optimaal beantwoorden en invullen.

Vandaar de slogan:
The Drilling Store and More
